MCB Imóveis

— CRECI 7993J

A modern interior hallway with a high ceiling and a curved design. The left wall is covered in vertical wood paneling and features built-in white shelves. A long, low white counter with a vertical slat front runs along the base of the wood wall. A dark grey sofa is positioned in the middle of the hallway. The floor is made of large, light-colored tiles that reflect the light. In the background, a glass-walled room is visible, and a modern chandelier hangs from the ceiling. A semi-transparent green banner with white text is overlaid in the center of the image.
